Our Nursery

About us

Your dream landscape is within your reach with Unique Trees, The largest nursery in India spread over 500 acres, growing, importing, planting, nurturing, and maintaining a wide array of fully grown exotic verdant and hardy trees from sources across the globe.

These exotic and unique species of plants are imported from various countries like Italy, Spain, Mexico, Australia, Madagascar, Vietnam, Thailand etc. just to name a few. They are specially selected for habitat compatibility and crafted keeping in mind the aesthetic, design and landscaping needs of the commercial and residential establishments in India.

Each plant / tree at Unique Trees is a style statement of stunning elan which will enhance the ambience and landscape in an unprecedented way.

www.uniquetrees.in

Vision

To provide the Indian Landscapes with an exotic & imported collection of most beautiful trees from across the world along with other elements to compliment the landscape designs.

Mission

To create and manage beautiful, stunning, and sustainable landscapes in India with exotic trees from select environments across the globe for diverse customers ranging from organizations to individuals, while ensuring the bio-diversity of the region is totally conserved and no adverse affects befall it from the imported plants.

PLANT SIZE AND GROWTH HABIT

Big tree over 25 ft (7.5m) tall or more

Vine, climber or creeper

Palm tree or palm-like plant

Small tree 15-25 ft (4.5-7.5m) tall

Small shrub or subshrub 2 - 5 ft tall (0.5 - 1.5 m)

Good for bonsai

Caudex

Big shrub 5-15 ft (1.5 - 4.5m) tall

Ground cover or low-growing under 2 ft (0.5 m)

Invasive

LIGHT REQUIREMENTS

Full sun

Semi-shade

Shade

WATERING NEEDS

Prefers dry conditions, drought tolerant. Infrequent watering 1-2 times a month when established

Regular water 3-5 times a week

Aquatic plant, water/flood tolerant, "heavy drinker"

Drought tolerant Moderate water 1-2 times a week when established

Ample water daily. Don't let soil over-dry, keep it moist but not soggy

Epiphyte. Prefers ample water once a week along with daily misting.

FLOWER (BLOOM) COLOR

Red, crimson, vinous

White and off-white

Pink

Yellow, Orange

Blue, violet, purple, lavender

Unusal color or multicolor

COLD HARDINESS

Subtropical; cold hardy at least to 30's F for a short time

Ultra tropical, min. temp. 55 F

Deciduous or semi-deciduous

OTHER CHARACTERISTICS

Edible fruit of other part

Fragrant

Spice or herb

Thorny or spiny

Attracts butterflies and hummingbirds

Ornamental foliage

Flood tolerant for a short time

Seaside, salt tolerant plant

Unknown name: please help us to identify these plants with scientific name

Ethnomedical (The ethnomedical information is provided for general information only, it is not intended as guidance for medicinal use)

Parts of plant are irritating (If there is no "poisonous" or "irritating" pictogram, it DOESN'T mean the plant is edible)

Parts of plant are poisonous or toxic (If there is no "poisonous" or "irritating" pictogram, it DOESN'T mean the plant is edible)

Ficus Dammaropsis

Common Name: Dinner Plate Fig, Highland Breadfruit

Landscape use - Specimen, public open space, large planter

Trees with Beautiful Foliage

Ficus Lyrata

Common Name: Fiddle Leaf Fig

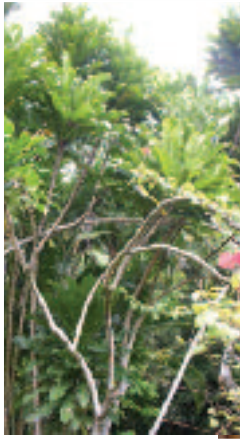

Flowering season - Intermittently all year. Landscape use - Public open space, large planter, indoor potted plant

Trees with Beautiful Foliage

Ficus Pseudopalma

Common Name: Palm leaf Fig, Philippine Fig, Dracaena Fig

Flowering Season - Year round. Landscape use - Large planter, specimen, background plant

Trees with Beautiful Foliage

Ficus Triangle Variegated

Common Name: Natal Fig, Sweetheart Tree

Flowering Season - Spring. Landscape use - Ornamental foliage tree, specimen, large planters

Trees with Beautiful Foliage

Ficus Variegated

Common Name: Ficus Variegated

Flowering Season - Spring. Landscape use - Ornamental foliage tree, specimen, large planters

Trees with Beautiful Foliage

Macaranga Grandifolia

Common Name: Macaranga, Nasturtium Tree, Bingabing

Flowering Season - Year round. Landscape use - Specimen, Avenue tree, Ornamental tree.

Trees with Beautiful Foliage

Macaranga Tanarius

Common Name: Parasol Leaf Tree, Hairy Mahang

Flowering Season - Year round. Landscape use - Specimen, large shade tree , Avenue tree, ornamental tree

Trees with Beautiful Foliage

Magnolia Grandiflora ‘Little Gem’

Common Name: Dwarf Southern Magnolia

Flowering Season - Intermittently all year, mainly summer. Landscape use - specimen, ornamental tree, flowering tree, shade tree, large planter

Trees with Beautiful Foliage

Oroxylum Indicum

Common Name: Broken Bones Tree, Midnight Horror

Flowering season - Rainy season . Landscape use - Flowering tree, curiosity, accent, public open space, botanical collection

Trees with Beautiful Foliage

Schefflera Actinophylla

Common Name: Umbrella Tree, Octopus Tree

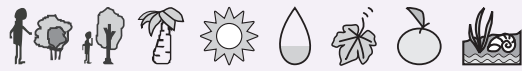

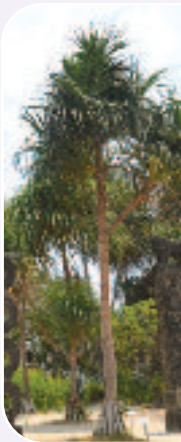

Flowering season - Spring to summer. Landscape use - Specimen, large planter, xerophytic, small shade tree, large accent

Trees with Beautiful Foliage
Pandanus

Pandanus Sanderi

Common Name: Screw Pine

Landscape use - Specimen, ornamental, seaside, large container

Trees with Beautiful Foliage Pandanus

Pandanus Utilis

Common Name: Screw Pine

Landscape use - Specimen, ornamental, seaside, large container

Trees with Beautiful Foliage

Schleichera Oleosa

Common Name: Lac Tree, Macassar Oil Tree, Ceylon Oak. Kusum

Flowering Season - Summer. Landscape use - Avenue tree, shade tree, street tree, specimen, screening, backyard

Trees with Beautiful Foliage

Sri Tree

Common Name: Sri Tree

Trees with outstanding Trunk Formation

Eucalyptus Deglupta

Common Name: Rainbow Eucalyptus

Flowering season - Mid to late spring. Landscape use - Avenue tree, specimen, botanical collections

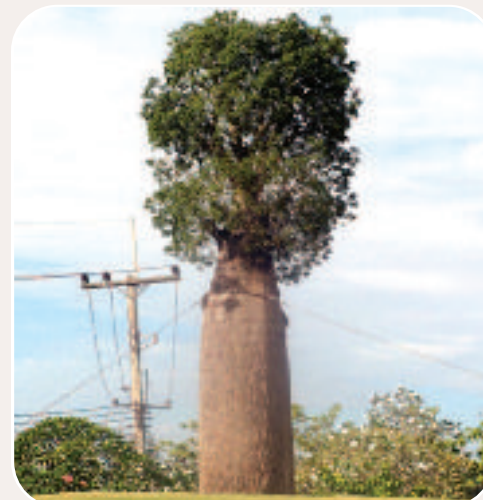

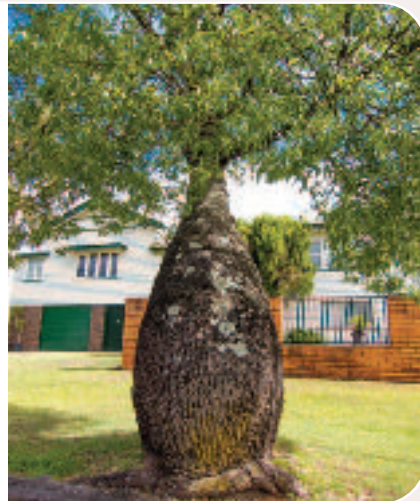

Trees with outstanding Trunk Formation

Brachychiton Rupestris

Common Name: Queensland Bottle Tree

Flowering season - End of summer. Landscape use - Public Open space, Botanical collection, xerophytic 🌳🌳🌳🌳☀️💧🌸🌿

115

Flowering season - End of summer. Landscape use - Public Open space, specimen, Bonsai, Botanical collection, xerophytic

Trees with outstanding Trunk Formation

Adansonia Gregorii

Common Name: Baobab, Australian Bottle Tree

Flowering season - End of summer. Landscape use - Public Open space, specimen, Bonsai, Botanical collection, xerophytic

Trees with outstanding Trunk Formation

Adansonia Rubrostipa

Common Name: Fony Baobab, Monkey-bread Tree

Flowering season - End of summer. Landscape use - Public Open space, specimen, Bonsai, Botanical collection, xerophytic

Trees with outstanding Trunk Formation

Chorisia Insignis

Common Name: Coratia Insignis

Flowering season - Winter. Landscape use - Public Open space, specimen, xerophytic          

Trees with outstanding Trunk Formation

Delonix Decaryi

Common Name: White Poinciana, White Gulmohar

Flowering season - All year. Landscape use - Public Open space, specimen, Botanical collection, xerophytic, avenue tree

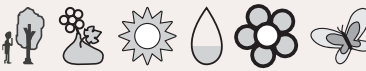

Trees with outstanding Trunk Formation

Delonix Floribunda

Common Name: Poinciana

www.uniquetrees.in

Flowering season - Late spring . Landscape use -Specimen, small flowering tree, avenue tree, xerophytic, botanical collection

Trees with outstanding Trunk Formation

Golden Acacia

Common Name: Golden Acacia

Trees with outstanding Trunk Formation

Moringa Drouhardii

Common Name: Malagasy Moringa

Flowering season - Winter, summer. Landscape use - Public Open space, specimen, Botanical collection, xerophytic

Trees with outstanding Trunk Formation

Moringa Hildebrandtii

Common Name: Moringa

Flowering season - Winter, summer. Landscape use - Public Open space, specimen, Botanical collection, xerophytic

Trees with outstanding Trunk Formation

Lagerstroemia Indica (Bonsai)

Common Name: Lagerstroemia Indica (Bonsai)

Trees with outstanding Trunk Formation

Caesalpinia Ferrea

Common Name: Iron Wood, Leopard Tree

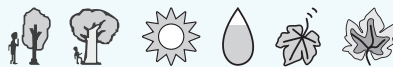

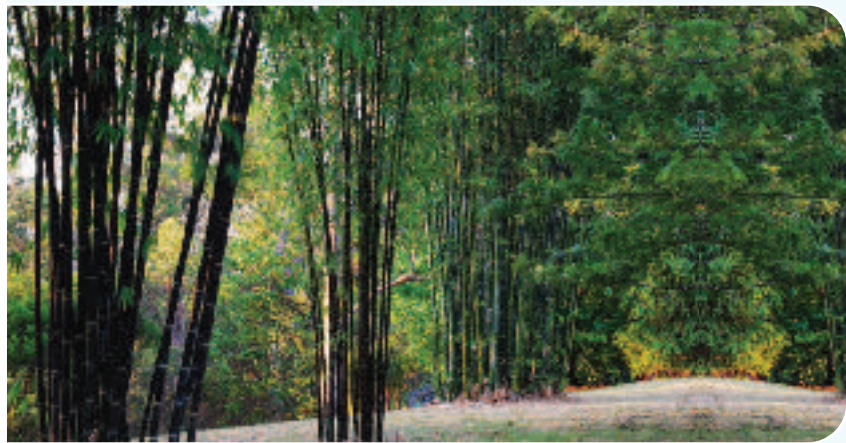

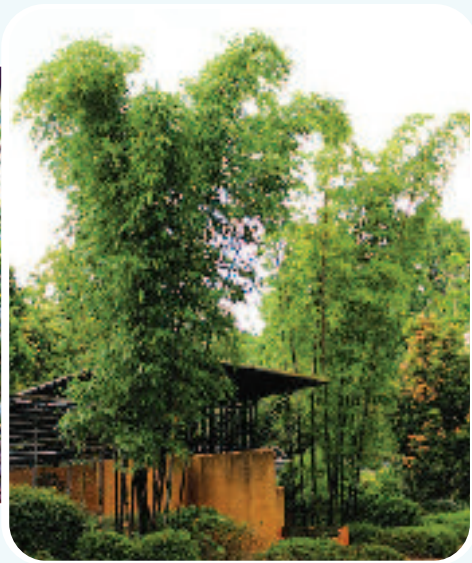

Flowering season -Spring to autumn. Landscape use - Avenue tree, large flowering tree, backyard tree, xerophytic

Bamboo

Bambusa Lako

Common Name: Timor Black Bamboo

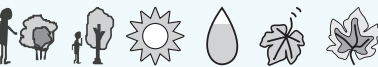

Type - Clump forming. Landscape use - Privacy screening, specimen, mass planting, windbreak, woodland gardens

Bamboo

Bambusa Multiplex 'Alphonse Karr'

Common Name: Golden Hedge Bamboo

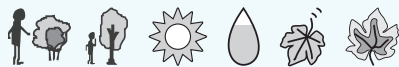

Type - Clump forming. Landscape use - Border, Privacy Screen, Seacoast Exposure, Windbreak

Bamboo

Phyllostachys Nigra

Common Name: Black bamboo

Type - Running. Landscape use - Border, Privacy Screening, Seacoast Exposure, Windbreak

Bamboo

Pleioblastus Shibuyanus

Common Name: Tsuboi Bamboo

Type - Running. Landscape use - Large container, hedging, specimen, focal point, slopes, hillsides, woodland garden

Grasses

Cortaderia Selloana

Common Name: Pampas Grass

Flowering - Summer. Landscape use - Background, specimen, focal point, screening, hedging, water body

Grasses

Cortaderia Selloana Veriegated

Common Name: Pampas Grass

Flowering - Summer. Landscape use - Background, specimen, focal point, screening, hedging, water body

Grasses

Cortaderia Selloana Rosea

Common Name: Pink Pampas grass

Flowering - Summer. Landscape use- background, specimen, focal point, screening, hedging, water body

Grasses

Arundo Donax

Common Name: Peppermint Stick' Giant Reed

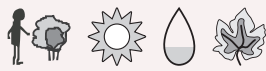

Flowering - Summer, winter. Landscape use - Background, specimen, focal point, screening, hedging, water body

Grasses

Equisetum Hyemale

Common Name: Horetail Reed

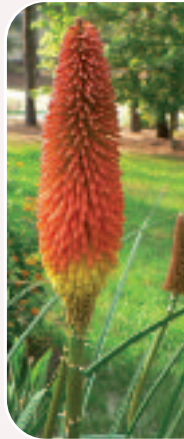

Flowering - Non flowering. Landscape use- Large container, hedging, Mass Planting, Seacoast Exposure, Areas, Water garden

Grasses

Kniphofia Lola

Common Name: Red Hot Poker, Torch Lily

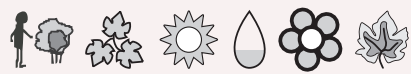

Flowering - Winter. Landscape use - Beds and borders, Mass plantings, Containers, Flower arrangements

Grasses

Melinis Nerviglumis

Common Name: Ruby Grass

Flowering - Summer, winter. Landscape use - Beds and borders, Mass plantings. Containers, Flower arrangements.

Grasses

Muhlenbergia Capillaris

Common Name: Purple Muhly Grass

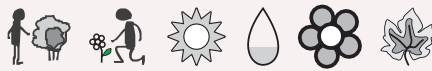

Flowering - Winter. Landscape use - Beds and Border, Erosion Control, Mass Planting, Rock Garden

Grasses

Pennisetum Glaucum 'Purple Majesty'

Common Name: Pearl Majesty Millet

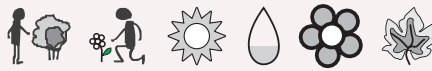

Flowering - Spring, summer, winter. Landscape use - Beds and Borders, Container, Cut Flower, hedges, Specimen Plant, Focal Point

Grasses

Pennisetum Purpureum 'Prince'

Common Name: Prince Napier Grass, Elephant Grass

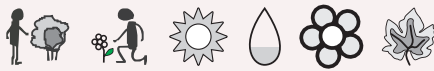

Flowering - Summer, winter. Landscape use - Beds and Borders, Container, hedges, Specimen Plant, Focal Point, Mass planting

Grasses

Pennisetum Setaceum 'Fireworks'

Common Name: Fireworks Fountain Grass

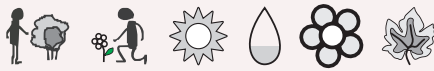

Flowering - Summer, winter. Landscape use - Beds and Borders, Container, hedges, Specimen Plant, Focal Point, Mass planting

Grasses

Saccharum Spontaneum

Common Name: Kans Grass

Landscape use - Beds and Borders, Container, hedges, Specimen Plant, Focal Point, Mass planting

Indoor Plants

Heteropanax Fragrans

Common Name: Fragrant Aralia
(Can also be used Outdoor)
